of OR

At OR, pick up black telephone to dial to OR desk.
State you are a student here to pick up tissue to
gain access

Proceed into OR through doors. Approach front
desk and state you are a student there to pick up
tissue. Wait at porter desk until specimen is ready
for transport; ensure you introduce yourself to the
porter who will be transporting specimen

Based on surgery, you will be directed with a
porter based on the following scenarios:

Ultrasound

Tissue will be
taken first to
ultrasound, then
to pathology

Mammography

Tissue will be
taken to Techs in
Mammography,
then to pathology

Pathology

Tissue is taken
straight to
pathology
