
DETAILS FOR PRESENTERS – RAPID FIRE SESSION

The WCRG 2018 Conference Committee is excited to have Rapid Fire Presentations on this year's program. Presenters are to observe the following guidelines:

- There are 9 speakers scheduled in the session. The moderator will introduce each presenter.
- Each speaker will be allotted **3 minutes**. Timing will be strictly enforced.
- Each speaker will be allowed **1 still slide** with no animations.
- No time will be given for questions.
- The Rapid Fire Session is for all participants and will be taking place at **9:35am**. Please keep in mind that the audience will contain a broad scope of interests ranging from basic biomedical to clinical and psychosocial research

Important logistics for the conference day:

- Save presentations in powerpoint format (ppt or pptx files can both be accommodated).
- Save presentation files using the last name of the presenting author as the file name
- We recommend that Mac users test their presentation on a PC beforehand
- Presenters should bring their presentations on a jump drive/USB key to the technician in the seminar room before **8:30am** for loading
